

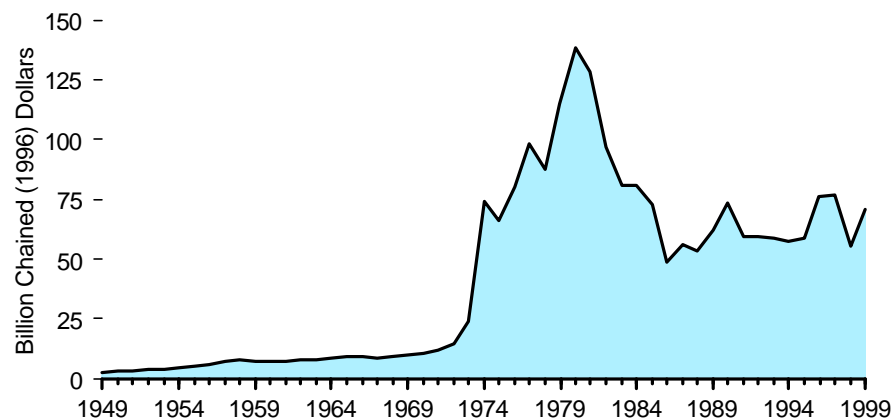

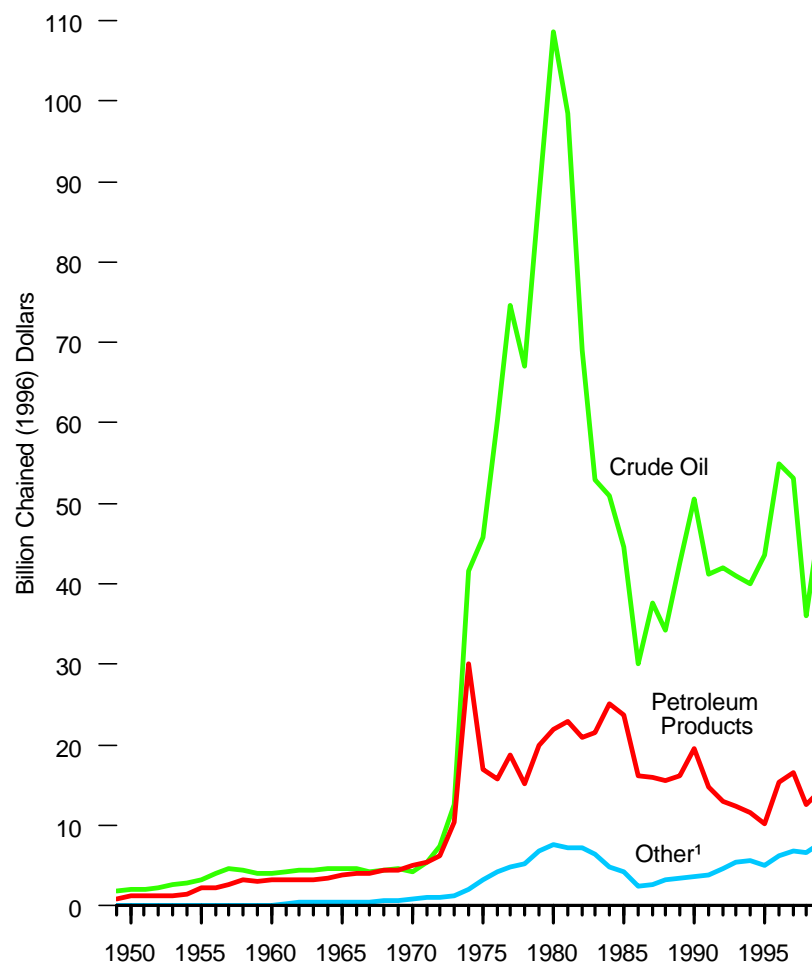

Figure 3.5 Value of Fossil Fuel Imports

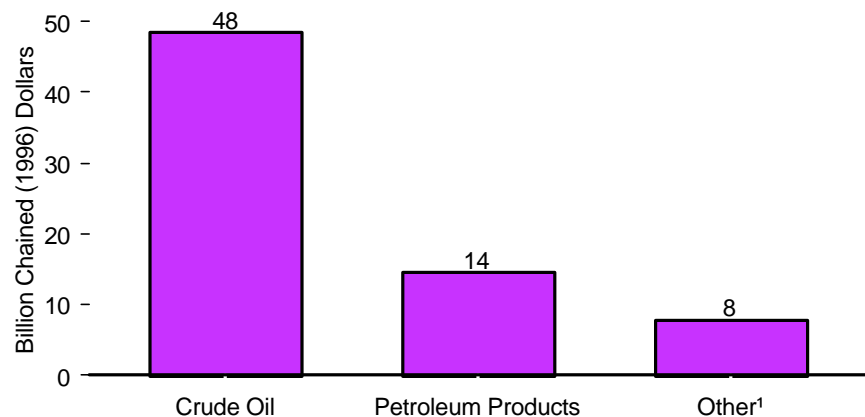

Total, 1949-1999

By Fuel, 1949-1999

By Fuel, 1999

¹ Natural gas, coal, and coal coke.

Notes: • Prices are in chained (1996) dollars, calculated by using gross domestic product implicit price deflators. See Table E1. • Because vertical scales differ, graphs should not be compared.
